

Headers

This is for **heading 1**.

Heading 2

This is for *heading 2*.

Heading 3

This is for ***heading 3***.

List

This is how you list items in markdown.

1. Member 1
 - Team Leader
 - Dictator
2. Member 2
 - Hardware
3. Member 3
 - Software
4. Member 4
 - Cheerleader

Inserting an Image

To insert an image, you will need to drag + hold shift + drop

[Click here to link](#)

[Click here to jump to test.md](#)

Code Block

To highlight or insert a particular section of code, you can do the following:

1. In raspberry pi, if you want to update you will `sudo apt update`

```
from tkinter import *  
  
main = Tk()  
  
main.mainloop()
```

Quotes

A famous quote by **Sir Isaac Newton**

For every action, there will be an equal and opposite force.

Tables

This is how you insert tables

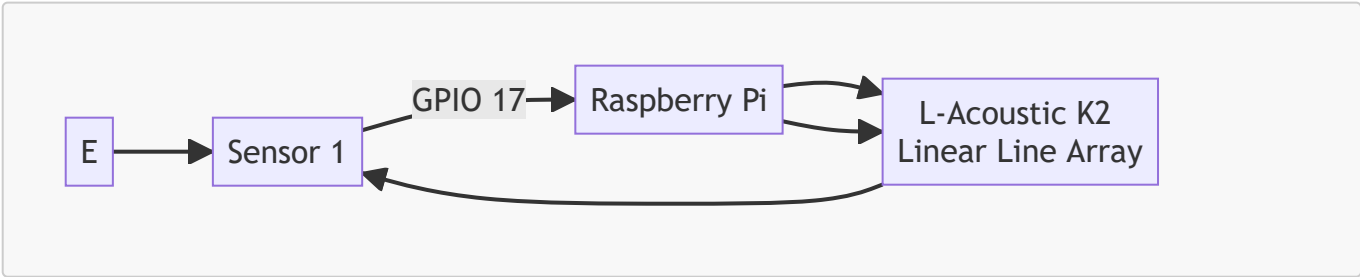

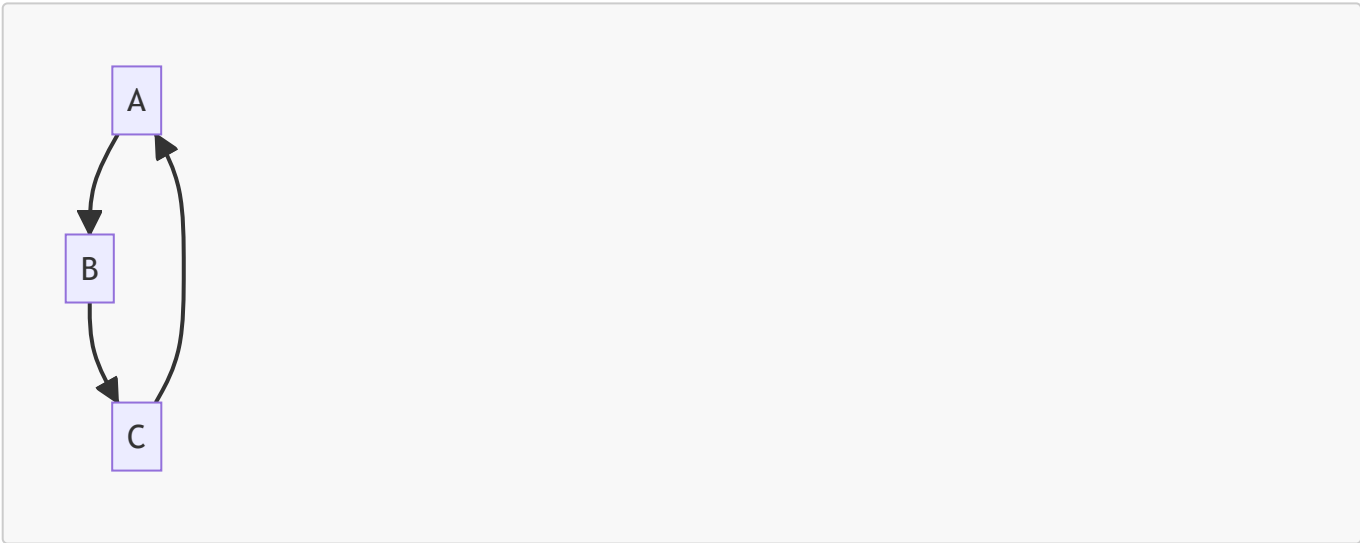

Header A	Header B	Header C
Row 1	Data A	Data B
Row 2	Data C	Data D

```
|-----:| this is to justify right
|:-----| this is to justify left
|:-----:| this is to justify center
```

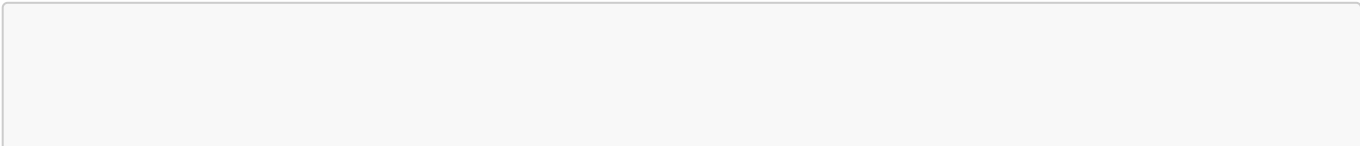

Horizontal Rule

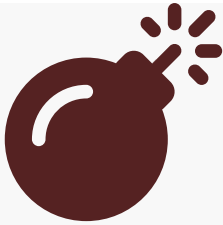

This is how to insert a section line
